

# HAWTHORNE PUBLIC SCHOOLS

## School Exclusion Update

Updated February 1, 2022

If you believe that your child's quarantine or isolation timeframe qualifies to be adjusted, your school nurse will be able to assist you.

EXPOSURE	STATUS	OUTCOME
<b>COVID-19 Positive Asymptomatic</b>	Fully Vaccinated Previously Positive Unvaccinated Not Fully Vaccinated Not previously Positive	<p>Isolate for 5 full days. Day 0 is the day of the test. May return to school on day 6.</p> <p>If symptoms develop within one week of the positive test, the 5-day isolation period starts over with day 0 being the first day of symptoms</p> <p style="color: red;">LMS and HHS students on days 6-10 will be exempted from activities that would normally allow for no mask to be worn (i.e., athletic practice/competition, chorus/band. Again, this restriction is only for days 6-10.</p>
<b>COVID-19 Positive Symptomatic</b>	Fully Vaccinated Previously Positive Unvaccinated Not Fully Vaccinated Not previously Positive	<p>Isolate for 5 full days. Day 0 is the day of the test</p> <p>May return to school on day 6, <b><u>IF</u></b> symptoms subside and/or 24 hours fever free without fever-reducing medicine</p> <p style="color: red;">LMS and HHS students on days 6-10 will be exempted from activities that would normally allow for no mask to be worn (i.e., athletic practice/competition, chorus/band. Again, this restriction is only for days 6-10.</p>
<b>Close Contact OR Family member awaiting test OR Family member positive (household contact)</b>	Fully Vaccinated  Previously Positive (within the past 90 days with PCR or NAAT)	No quarantine is required. If symptoms develop, stay home and contact your school nurse
<b>Family member awaiting test</b>	Unvaccinated Not Fully Vaccinated	Stay home until test results are received. If individual receives positive test results than follow household contact guidance

<p><b>Close Contact</b></p>	<p>Unvaccinated Not Fully Vaccinated Not previously Positive Previously Positive greater than 90 days</p>	<p>Quarantine for 5 days with a return to school/work on day 6 if symptom free.</p> <p>Day 0 is the last day of contact or last day of exposure</p>
<p><b>Household Contact (positive person within the household) that <u>IS</u> able to fully isolate</b></p> <p>**To fully isolate means that a positive member wears a mask at all times throughout the 10 day period.</p>	<p>Unvaccinated Not Fully Vaccinated Not previously Positive Previously Positive greater than 90 days</p>	<p>Quarantine for 5 days with a return to school/work on day 6 if symptom free.</p> <p>Day 0 is the last day of contact or last day of exposure</p>
<p><b>Household Contact (positive person within the household) that <u>IS NOT</u> able to fully isolate</b></p> <p>**To fully isolate means that a positive member wears a mask at all times throughout the 10 day period.</p>	<p>Unvaccinated Not Fully Vaccinated Not previously Positive Previously Positive greater than 90 days</p>	<p>Complete a 10-day isolation period plus 5 additional days post isolation period</p> <p>10 days + 5 days = 15 days</p>
<p><b>Experiencing COVID-19 symptoms but not identified as a close contact</b></p>	<p>Fully Vaccinated Previously Positive Unvaccinated Not Fully Vaccinated Not previously Positive</p>	<p>Get tested and remain home until test results are received.</p> <p><b>Untested</b> requires you to stay home for 5 days with day 0 being the first day of symptoms - symptoms must be subsiding for you to return to work/school</p> <p><b>OR</b></p> <p>Alternate diagnosis from a physician (eg. strep throat, flu, RSV). Contact the school nurse for illness related exclusion</p>
