Hawthorne Public Schools - Emergency Virtual/Remote Learning Plan

This plan will fulfill our obligation to the New Jersey Department of Education in regards to N'J.S.A. 18A:7F-9(C) This plan will detail our school operating structure should Hawthorne Public Schools be forced to close our campus to students. This plan will be implemented during a district closure lasting more than three consecutive school days due to a declared state of emergency, declared health emergency, or a directive by the appropriate health agency or officer to institute a public health related closure.

Virtual Instruction - Broadband and Devices

All students have access to Chromebook with video/speaker capability. They will use this device to connect with the classroom teacher and will follow their traditional bell schedule. Hotspots for families without connectivity will be provided by the Technology department.

Meal Distribution

Hawthorne Public Schools will enact the food distribution protocols that it utilized when schools were closed. Grab and Go Meals will be provided for pick up at Hawthorne High School on Tuesday and Friday afternoons between 2:45-3:45 P.M. These meal packages (breakfast and lunch) will provide for several days' worth of food. As always, should a parent have conflicts, Hawthorne Public Schools will work out other arrangements.

Length of School Day

The length of the school day will not change should we shift to a virtual/remote learning environment. See the full day schedule below.
