2022-2023 Membership Form

Over the past several years the Hawthorne Athletic Booster Club has accomplished a great deal for our student athletes including:

Annually:

- Hosting post award assembly pizza parties at the end of each of the three sports seasons – includes supplying pizza and beverages for all attendees
- Supplying funding to pay for senior athletes to attend the Senior Sports Awards Brunch hosted by the Athletic Department
- Providing multiple \$500 scholarships to graduating senior student athletes
- Hosting a back to school barbeque for athletes in the fall

Special Projects through the Years:

- Helped with funding of the lightening detector mounted on the High School
- Purchased the school's first defibrillator
- Purchased multiple ice machines for the athletic trainer
- Purchased weights/weightlifting equipment for the High School weight room
- Purchased gators for the High School athletes and coaches for use during the COVID19 pandemic
- Purchased chairs used by indoor teams during fall/winter sporting events
- Purchased the scorer's table for the High School gym
- Paid for the reconditioning of the gym floor on multiple occasions
- Purchased team benches for home football/soccer/lacrosse games
- Purchased turf blankets to protect the football/soccer/lacrosse field in the winter
- Purchased bleachers for the High School Softball team's field
- Purchased blocking sled for the football team
- Purchased an equipment storage bin for use by the softball team at the Rea Ave Field
- Purchased an air purifier for the football/baseball locker room/wrestling practice room
- Helped with funding of wrestling practice/tournament mats
- Purchased vaulting poles for the track team
- Provided funds for student athletes who couldn't afford to attend the athletic department's leadership training seminar

With the support of families and friends of our student athletes we are able to raise the required funds through fundraisers (including selling refreshments at home sporting events and hosting basketball and wrestling tournaments), membership fees and donations so that we can undertake projects like the above. We thank you for all of your past support and hope we can rely on you in the upcoming school year.

In a show of your continued support we ask that you complete the attached form and include your membership fee of \$20.00 per person or \$35.00 per family for the 2022-2023 school year.

We thank you for **“Backing the Bears”** and hope to see you soon.
